## Denmark is the place-to-be, if you want to start up your IT career

"Dare to start from scratch and dive into algorithms, data structures, discrete mathematics, the variety of programming languages, or into whatever makes your heart pound faster", says J. Rika Pydde, Junior Consultant, from NNIT. Read the full article [here](#).

Together we make a mark in business and society; bringing digital transformation to life

The NNIT Group provides a wide range of IT and consulting services internationally.

In Denmark, where the Group HQ is based, we are one of the leading IT companies, servicing both private and public sector customers across all industries. In the rest of Europe, Asia and USA, we are solely focused on companies within life sciences.

Supporting the entire supply chain, we help optimize internal company processes, production, sales and customer experiences:

We advise, build, operate and support, enabling digital transformation and customers to reap the full potential of their organizations. Our role is to foster innovation and make the mark our customers and we aspire to.

The NNIT Group consists of group company NNIT A/S and subsidiaries Valiance, SCALES and Excellis Health Solutions. Together, these companies employ over 3,000 people in Europe, Asia and USA.
