NNIT helps Life Science companies in the United States

In this video Jan Weber, General Manager at NNIT in Princeton introduces how NNIT can help life science companies overcome the challenges they are currently facing, such as an ever-changing regulatory landscape; increasingly complex submission requirements; and the emphasis on speed-to-market.

NNIT's highly specialized life sciences consultants offer assistance within e.g. Regulatory Affairs. Watch video to learn more. <http://bit.ly/2iOrKFU>

Together we make a mark in business and society; bringing digital transformation to life

The NNIT Group provides a wide range of IT and consulting services internationally.

In Denmark, where the Group HQ is based, we are one of the leading IT companies, servicing both private and public sector customers across all industries. In the rest of Europe, Asia and USA, we are solely focused on companies within life sciences.

Supporting the entire supply chain, we help optimize internal company processes, production, sales and customer experiences:

We advise, build, operate and support, enabling digital transformation and customers to reap the full potential of their organizations. Our role is to foster innovation and make the mark our customers and we aspire to.

The NNIT Group consists of group company NNIT A/S and subsidiaries Valiance, SCALES and Excellis Health Solutions. Together, these companies employ over 3,000 people in Europe, Asia and USA.
