NNIT becomes a Veeva Premiere Services Partner

Copenhagen, July 14, 2020 – NNIT, a leading provider of IT services and consultancy, announces that it has become one of the first Premiere Services Partners for Veeva Development Cloud. The Premiere Services Partner status is the highest partner acknowledgement by Veeva, a leader in cloud-based software for the global life sciences industry.

The Premiere Services Partner is granted upon NNIT's extensive Veeva customer references and dedicated services. One of the requirements to become a Premiere Services Partner is demonstrating successful customer engagements within the last 18 months for applications in Vault RIM, Vault

Clinical and Vault Quality suites. NNIT has supported more than 20 customer engagements in the life sciences industry globally.

Rasmus Koch Nelund, CVP, Global Life Sciences Advisory and Delivery at NNIT, says:

“The new partner status will give our customers confidence that we can support them to an even higher degree, and it underscores our successful track record and strong partnership with Veeva. Thank you to all the customers that have trusted NNIT in implementing Veeva Development Cloud, as well as to our colleagues at Valiance and Veeva for their exceptional support.”

NNIT and Veeva have been partners for more than two years. NNIT has more than 60 certified Veeva consultants and NNIT runs an interval community of practice with more than 100 consultants. NNIT has created the customer offering '[NNIT Veeva Powerhouse](#)' to be a full-service partner for Veeva.

With over 3,200 employees throughout Europe, US and Asia, NNIT is a recognized leader in providing IT and consulting services to the international pharmaceutical and biotech industries.

About NNIT

www.nnit.com

Together we make a mark in business and society; bringing digital transformation to life

The NNIT Group provides a wide range of IT and consulting services to the world. Supporting the entire supply chain, we help optimize internal company processes, production and sales as well as delivery to customers. We are experts in supporting the world's most regulated industries subject to strict governance of processes, quality and data management and documentation – and in guiding them on their digital journey.

The Group consists of group company NNIT A/S and the subsidiaries Valiance, SCALES and Excellis Health Solutions. Together, these companies employ over 3,000 people, primarily in Europe, Asia and the USA.

In Denmark, where the Group HQ is based, we are one of the leading IT consultancies, servicing both private and public sector customers across all industries. In the rest of Europe, USA and Asia, we are solely focused on companies within life sciences.
